

Privacy Policy for Slingshot

Effective Date: March 24, 2024

Introduction

Welcome to Slingshot, a game developed by The Hacking Bears. Your privacy is important to us. This Privacy Policy outlines how we collect, use, disclose, and safeguard your information when you use our game, Slingshot.

Information We Collect

We may collect certain information from you when you use Slingshot. This may include:

1.

Information You Provide: We may collect information that you voluntarily provide when you play Slingshot, such as your username, scores, and other gameplay data.

2.

Automatically Collected Information: We may automatically collect certain information about your device, including your IP address, device type, operating system, unique device identifiers, and in-game activity.

3.

Cookies and Similar Technologies: We may use cookies and similar technologies to enhance your experience with Slingshot and to collect information about how you interact with our game.

Use of Information

We may use the information we collect for various purposes, including:

1. To provide, maintain, and improve Slingshot; 2. To personalize your experience and customize content within Slingshot; 3. To analyze usage of Slingshot and to improve our game; 4. To communicate with you and respond to your inquiries; 5. To

detect, prevent, and address technical issues and security vulnerabilities.

Disclosure of Information

We may disclose your information in the following circumstances:

1.

With Your Consent: We may share your information with your consent or as otherwise directed by you.

2.

Service Providers: We may share your information with third-party service providers who assist us in operating Slingshot, conducting our business, or servicing you.

3.

Legal Requirements: We may disclose your information if required to do so by law or in response to a subpoena or similar legal process.

Advertising

Slingshot may display third-party advertisements. These advertisers may collect information about your online activities over time and across different websites and apps when you use Slingshot. We do not have control over these third-party advertisers' data collection practices and encourage you to review their privacy policies.

Data Retention

We will retain your information for as long as necessary to fulfill the purposes outlined in this Privacy Policy, unless a longer retention period is required or permitted by law.

Your Choices

You may choose to restrict the collection or use of your personal information by adjusting your device's settings or by not providing certain information. However, please note that doing so may limit your ability to use certain features of Slingshot.

Children's Privacy

Slingshot is suitable for users of all ages, including children under the age of 13.

We are committed to protecting the privacy of children who use our game. We do not knowingly collect personal information from children under the age of 13 without verifiable parental consent. If you are a parent or guardian and believe that your child has provided us with personal information, please contact us immediately, and we will take appropriate action to remove such information from our records.

If you have any questions or concerns about your child's privacy while using Slingshot, please contact us at thehackingbears@gmail.com.

By allowing your child to use Slingshot, you acknowledge and consent to the collection and use of your child's information as outlined in this Privacy Policy.

Updates to this Privacy Policy

We may update this Privacy Policy from time to time. We will notify you of any changes by posting the new Privacy Policy on this page. You are advised to review this Privacy Policy periodically for any changes.
